

LIV – GRAND NATIONAL

MARCH 22, 2021

LIV Grand National project proposes to build a multi family project at Grand National Boulevard. The project is being proposed on three parcels and will contain a total of 349 apartment units ranging from studio to three bedroom in size. The buildings will be four stories and have amenities for residence. There will be a combination of structured parking and surface parking to accommodate the multi-family requirements.

Current Zoning: AC-3A/SP

Future Land Use: D-AC

Current Use: Vacant

Proposed Use: Residential

The proposed uses of the building are consistent with the existing zoning criteria, the FLU and GMP.
