Applicable Codes

As of December 31, 2017, any drawings submitted for permitting will be reviewed using the following codes:

National Electrical Code (2014)
Mechanical Code (2017)
Existing Building Code (2017)
Florida Energy Code (2017)
Plumbing Code (2017)
NFPA 1 Uniform Fire Code (2015) with Florida Amendments
Orlando Urban Storm Water Management Manual
Florida Department of Transportation Manual on Uniform Traffic Control Device Standards
Florida Department of Transportation Roadway and Traffic Design Standards
Florida Department of Transportation Specifications for Road, Bridge and Construction (2017)
Florida Statutes
Florida Administrative Code
Orlando City Code

**The City of Orlando's City Engineer is currently working to amend the Engineer Standards Manual. Please refer to www.cityoforlando.net/publicworks/engineering-resources/ for updates on the 5th Edition.

The Orlando City Code is available online at www.municode.com - click on Municipal Codes, click on Florida, and then click on Orlando City Code. For more information, please visit our web site at www.cityoforlando.net/permits.

You can order or view the new Florida Building Code by visiting the Florida Building Commission web site at www.dca.state.fl.us/fhcd/fbc.

Rev. 12/2017
