I, _____, License # _____
(Contractor) (Contractor)

hereby affirm that one of the following methods will be used to meet requirements of Chapter 515, Florida Statutes.

Please check one:

The pool will be isolated from access to the home by an enclosure that meets the pool barrier requirements of Florida Statute 515.29.

The pool will be equipped with an approved safety pool cover that complies with ASTM F1346-91 (Standard Performance Specifications for Safety Covers for Swimming Pools, Spas and Hot Tubs).

All doors and windows providing direct access from the home to the pool will be equipped with an exit alarm that has a minimum sound pressure rating of 85 decibels at 10 feet.

All doors providing direct access from the home to the pool will be equipped with a self-closing, self-catching device with a release mechanism placed no lower than 54" above the floor or deck.

The pool will be equipped with a floating pool alarm that complies with F.S. 515.27(e) and ASTM F2208.

I understand that not having one of the above installed at the time of final inspection will constitute a violation of Chapter 515 Florida Statutes, and will be considered as committing a misdemeanor of the second degree, punishable as provided in section 775.082 or section 775.083 Florida Statutes. I also understand that I must comply with City Code 58.959 (Fencing of Swimming Pools) and 58.961 (Exterior Access to Swimming Pools).
