

2022 BIKE TO WORK DAY

Lake Loma Doone Park → City Hall

After a hiatus, Orlando Mayor Buddy Dyer is beyond excited to restart our City Beautiful's Bike to Work Day tradition!

March is Florida Bicycle Month and a great time to highlight biking to work not just one day, but every day. We know the group ride team competition is a favorite longstanding tradition for Bike to Work Day. This year, we are upping the ante.

The team competition will be composed of two parts:

- Florida Bicycle Month activities - Outlined in the Team Competition Scorecard (50 points)
- Bike to Work Day Group Ride with Mayor Buddy Dyer - Friday, March 25 (50 points)

Attached please find this year's scorecard. Please make sure your team captain submits your Florida Bicycle Month Activities to Courtney Reynolds at Courtney@reThinkYourCommute.com no later than March 24th.

Happy Florida Bicycle Month. See you at the finish line!
