

Orlando Mayor Buddy Dyer is looking forward to celebrating our City Bikeable at the 22nd Annual Bike to Work Day, and invites you to join in on the fun!

March is Florida Bicycle Month and a great time to highlight biking to work not just one day, but every day. The team competition is a favorite longstanding tradition for Bike to Work Day, and will be composed of two parts:

- Florida Bicycle Month activities – Outlined in the Team Competition Scorecard (50 points)
- Bike to Work Day Group Ride with Mayor Buddy Dyer – Friday, March 31 (50 points)

Attached please find this year's scorecard. Also, keep an eye out for other opportunities to earn extra credit on your scorecard throughout the month! Please make sure your team captain submits your Florida Bicycle Month Activities documentation to jennifer.rhodes@orlando.gov no later than March 30 to receive credit. Please reach out with any questions.

Happy and Safe Riding!

Jenn Rhodes, AICP
Bicycle, Pedestrian, & Micromobility Program Manager
