a vision benefit guide

Using Your Benefits

Understanding what's available to you and how to get the most out of your Avēsis vision plan will help keep your out-of-pocket expenses low. Your plan includes the benefits below. And our robust provider network is composed of highly credentialed ophthalmologists, optometrists, and retail chains near you.

Routine Eye Exam

Your plan provides coverage for an annual comprehensive eye exam, covered in full (after copay, if applicable). Those routine eye exams can foretell a host of health issues:¹

- Diabetes
- High blood pressure
- High cholesterol
- Thyroid disease
- Autoimmune disorders
- Tumors
- Cancer
- Glaucoma, cataracts, macular degeneration

Frames

Your plan entitles you to a pair of frames up to your frame allowance.

Standard Spectacle Lenses

Your plan entitles you to a pair of standard spectacle lenses, covered in full after a materials copay (if applicable).

Contact Lenses

Your plan covers contact lenses up to your plan allowance, in lieu of frames and spectacle lenses.

Lasik Benefit

The one-time lasik benefit is in addition to, not in lieu of, your eyeglass or contact lens benefit. Using our lasik partner, qualsight, saves members up to 25 percent on the provider's lowest advertised price. For participating providers, visit <https://www.Qualsight.Com/-avesis>.

Using your benefits is easy as 1-2-3.

1. Locate a provider.

Use our provider directory—at www.avesis.com, or at 844-608-3873—to find a provider within a 5- to 50-mile radius.

2. Make an appointment.

Identify yourself as an avēsis member. The provider's staff will verify benefits before your visit.

3. See the provider.

That's it! You can relax knowing that our in-network providers will give you the best value—in both benefit dollars and satisfaction.

Enhanced Vision

If you have questions about your vision care benefits, please contact your HR department. You may also find answers to common questions at www.avesis.com under the FAQ section.

Here's How It Works

When you need to see an eye care professional, simply visit www.avesis.com or contact Avēsis' Customer Service Monday through Friday, 7 a.m. to 8 p.m. (EST) at 844-608-3873 to receive a listing of providers in your area.

Using Out-of-Network Providers

Members who elect to use an out-of-network provider must pay the provider in full at the time of service and submit a claim to Avēsis for reimbursement. Reimbursement levels are in accordance with the out-of-network reimbursement schedule previously listed. Out-of-network benefits are subject to the same eligibility, availability, frequency of benefits, and limitation and exclusion provisions of the plan, and are in lieu of services provided by a participating Avēsis provider. Out-of-network claim forms can be obtained by contacting Avēsis' Customer Service Center or your group administrator, or by visiting www.avesis.com.

Notes and Disclaimers

The contact lens allowance may be used all at once or throughout the plan year as needed or may be applied toward contact lenses only. Refractive Laser Surgery is considered an elective procedure, and may involve potential risks to patients. Avēsis is not responsible for the outcome of any refractive surgery. Discounts on materials are not available at Walmart locations.
