The Support Services Manager shall have direct control over the use of the fitness center and may grant exceptions. All non-City employees utilizing the fitness center must have a completed Release of Civil Liability form (Attachment A) signed by the Chief of Police, or designee and on file with Support Services Staff Assistant. Criminal justice personnel whose work assignment is with OPD sworn personnel, e.g., MBI, DEA, police explorers, interns, cadets, and police chaplains, are authorized to use the fitness center for the duration of their assignment in the police headquarters building upon completion of the Release of Civil Liability form.

Individuals using the fitness center facilities will comply with all posted rules, including closure/modifications notices.

Authorized persons using the fitness center are directed to use equipment with care and not to remove any equipment from the fitness center area. Individuals will be held responsible for keeping the equipment clean and orderly while using the facilities. Weights and other equipment should be put back in the proper place when individuals have finished. Failure to comply with this may result in facility privileges being revoked.
