PLACE ALL STORM DEBRIS CURBSIDE

NO PICKUP ZONE

Debris placed between the sidewalk and your home will **NOT** be picked up.

DO NOT STACK OR LEAN!

Placing debris near or on trees, poles, mailboxes, fire hydrants, utility boxes or other structures makes removal difficult.

UNSURE WHERE TO PLACE DEBRIS?

If you don't have a sidewalk in front of your house, place storm debris at the edge of your property closest to the curb. Do **NOT** block the roadway or storm drains.
